the national league was in its second season of existence in 1877 in mid season the louisville grays suddenly took the league by storm and by mid august were considered a lock to win the pennant then disaster struck the grays fell out of first place and the pennant was lost suspicions were high that the club had sold out to gamblers three players were tricked into confessing to the selling of exhibition games and were blacklisted from the sport along with a fourth player who refused to cooperate with the investigation since then historians have presented a simple narrative about how the grays sold the pennant to gamblers how that treachery was discovered and the steps that followed however none of this is true for nearly 150 years the story of the louisville grays has been told and the story has been wrong for the first time the objective evidence that was there all along is examined in comparison to the narrative that has been told about the grays the evidence shows the grays did not sell the pennant they simply lost it this is the story of how major league baseball s first great scandal never truly happened

the last independent major league ended its brief run in 1915 after only two seasons at the national pastime s top level but no competitor to establishment baseball ever exerted so much influence on its rival with some of the most recognizable elements of the game today including the commissioner system competition for free agents baseball s antitrust exemption and even the beloved wrigley field traceable to the so called outlaw organization known as the federal league of base ball clubs this comprehensive history covers the league from its formation in 1913 through its buyout dissolution and legal battles with the

national and american leagues the day to day operation of the franchises the pennant races and outstanding players the two year competitive battle for fans and players and the short and long term impact on the game are covered in detail
